### About N2N Art Gallery:

N2N Gallery is an Abu Dhabi based art gallery born in May 2013 with the ambition to help everyone discover the rich diversity of the European Academic School of Painting, as well as the high professionalism of the contemporary European artists and their exceptional art.

Founded by art enthusiast Natalya Muzaleva, the gallery blends sculpture, graphic art and paintings in a surprising fusion between realism and modernism. The gallery's collection is being renewed constantly and it currently comprises over 170 original works, including paintings, graphics and sculptures.

### About the artist:

Konstantinov Roman was Born in Crimea in 1982. He graduated from the Crimean Art School (Simferopol) and the National Academy of Fine Arts and Architecture (Kiev). After graduation, he worked as a restorer at the Museum of Modern Art of Ukraine, and also takes an active part in exhibitions.

His works are in the Kiev Museum of Modern Art, as well as in private collections and galleries in Ukraine, Russia, the USA, China, Switzerland, and England.

"I have had a love for painting since childhood, since my grandfather was an artist. I loved watching him during the process of creating a new piece. I sat quietly and watched as he squeezed paint onto the palette, prepared materials, it was some kind of magic. I definitely felt like this was something I would do in the future".
